VISION, MISSION AND TEAM VALUES

VISION

RHLF is a world class rural housing social venture capital fund that creates new financial arrangements and opportunities for rural families to improve their housing, economic and living environments.

MISSION

To empower people in rural areas to maximise their housing choices and improve their living conditions with access to credit from sustainable retail lenders.

TEAM VALUES

- We are loyal and honest to each other and practise joint accountability.
- We practise straight talk and team work.
- We are passionate about improving living conditions of the working poor.
- We believe in sustainable, responsible social and economic development.
